

## Missionary Updates

These links will give you the latest journal postings of the two American Baptist International Missions (IM) missionaries being supported by our Iroquois Association of Baptist Churches.

Recent changes in the economy have impacted the way our denomination supports its overseas missionaries. In the past, funding was totally by IM. This made us unique among the mission-sending agencies in our nation.

Now, though, our model is similar to most other agencies. While IM operations is still funded through endowment, as is travel for our missionaries, their salary and expenses now are supplied by individual churches, church groups, and persons.

Please use these links to keep up-to-date with **Katherine and Wayne Niles, who are serving in the Democratic Republic of the Congo** and **Deliris Carrion Rosa who serves in Haiti**.

The third link will allow you to access the journal of any IM Missionary by name.

Enjoy!! And, if you feel moved to offer your monetary support along with prayer support, you can so note on a check deposited in our offering plate with “Iroquois’ IM Missionary Support” in the memo line
